Dear

Camp Dumas Therapy is a summer day camp designed especially for children in the middle Georgia area with special needs. This program is designed to provide summer therapy and social skills training for special needs children in kindergarten through fifth grade in Macon, Georgia. This camp is designed for children diagnosed with Autism, Pervasive Developmental Delay, Aspergers, Attention Deficit Disorder and Attention Deficit Hyperactivity Disorder. Our mission is to enhance the overall functional development of special needs children through speech therapy, occupational therapy, and social skill training. The therapeutic focus of our services is to advance speech and language skills, sensory integration skills, advance individualized hand writing skills, improve fine motor skills, social skills, peer interactions, and play skills.

We are soliciting help from local businesses and organizations for our campers. Your company can help by becoming a corporate sponsor to provide funds for scholarships for children attending our program. Camp cost is \$200.00 - per child for the entire 5 weeks camp. We will provide transportation for 10.00 per week.
